

EMILY ANDRAOS - YEAR 11

What are your aspirations?

My aspiration in life would be to finish both my Certificate III in Hospitality this year then continue on to complete Certificate IV in Patisserie next year in Year 12.

What co-curricular activities do you do?

I participated in the Duke of Edinburgh Award in Year 9. This is a youth leadership program. I participated in archery as part of this program.

What do you like most about being a Santa girl?

What I like most about being a Santa Maria student is being able to do VCAL. Doing VCAL entitles me to be able to go to TAFE one day a week and venture out into the real world and do work placement to gain experience to use in future jobs and careers. All whilst still being able to attend school and classes. I am also really lucky to have a positive and supportive class and teachers to work with at Santa Maria.
